

## Millwoods Ladies Match Play 2024

This is an individual competition for **both Day and Business** members, with an established handicap. Each player is guaranteed 2 rounds.

Green fees are the responsibility of each individual player.

A double elimination format is used. The number of rounds played will depend on the number of players who sign up to play.

**All competitions must be played by the deadline dates stipulated so players need to be flexible in order to schedule a tee time for the match. Matches can be played during regular Tuesday ladies league. If a match cannot be played on Tuesdays, then the players must schedule another acceptable time.**

Matches are played using current Handicaps. Players must verify their Handicaps before play. Maximum allowed Handicap is 36. Matches consist of 18 continuous holes.

The outcome is determined based on the holes won rather than total number of strokes. In the event of a tie after 18 holes, players continue to play on a hole-by-hole, "sudden death" basis.

A cash prize will be awarded to the winner of A and B sections.

Just some guidelines to help you when you play Match Play. Remember, if you are unsure as how to keep score, ask your coordinators or the Pro Shop.

Try to retrieve the handicap in the morning of your match. At the start of the round, you and your Match Play Opponent declare your handicaps.

So, if Player A has a handicap of 20 and Player B has a handicap of 26 – player B will get 6 strokes (one stroke on the 6 hardest holes of the course)

Each hole is played out and each hole will have a designated winner – the fun of Match Play!!

Below is an example of a score card for Match Play on our front nine. The winner is determined by the Number of holes won. If there is an overall tie, extra holes are played.
